### **Notes From The Chapter President**

This year is almost gone and I would like to look at what we accomplished this past year with only a few devoted members.

The most important thing we did was managing to keep our chapter active. We turned in all TREA National and local reports on time and held our board of directors meetings as scheduled. Also, we supported our own by attending veteran functions and paying our respect at the funerals of departed comrades.

For our members we also continued publishing our chapter newsletter, The Trooper. That is why I am very proud to say that—once again—Chapter 58 did well at the TREA National Convention, held in Colorado Springs, Colorado, Sept. 25-28, 2013. The chapter earned the 2012 TREA Outstanding Medium Chapter of the Year Award, and the 2012 TREA Outstanding Medium Chapter Newsletter Award, for The Trooper.

My most sincere thanks to all the board members who were instrumental in helping the chapter earn these prestigious awards. In 2014, the convention will be in Norfolk, Virginia, from Sept. 10 to 13. Mark your calendar if wish to attend.

Remember, the general membership general meeting and holiday luncheon is Dec. 21 at the Colonnade Restaurant on Bayshore Blvd. in Tampa. Our nominating committee will select the officers to serve on the 2014 board of directors, and swear them in.

We have had the same officers for several years and really would like to see some new faces on the board of directors. We know your time is valuable, but we need your help to keep the chapter alive. Come to the luncheon and volunteer—we accept nominations from the floor.

The future of Tampa Bay Chapter 58

depends on our chapter members, and their participation in our meetings and chapter functions. We are the only chapter in Florida. Please come in and be counted.

### Streamlining the VA Process

Currently, when Veterans attempt to appeal their VA rating decision, they must contact the VA and request an appeal form. This adds additional time to the already lengthy process. U.S. Representative Dina Titus (D-NV) and Jon Runvan (R-NJ) introduced H.R. 1405, to streamline a Veteran's appeal to their VA rating. This bill requires the VA to include an appeals form with every rating decision issued by the department, eliminating having to request the form. The bill would also authorize National Guard and Reserve members entitled to Reserve retirement pay the honor of claiming "Veteran" status. This provision is identical to H.R. 679, The Honor America's Guard-Reserve Retirees Act, introduced earlier this year by Congressman Tim Walz (D-MN). By using the "Write to Congress" feature on the EANGUS Web site, you can IMMEDIATELY write or e-mail your elected officials.

# TREA Chapter 58 Christmas Party and General Membership Meeting

We will select our food from the menu, each member being responsible for their own selections. Please contact Louis Arana at 813-684-5414 or Juanita Anspach at 813-837-5065 if you planning on attending. We need this information by Dec 13, 2013. ### Interview WWII Veterans!

Do you know someone who served in World War II? Did you know that

there are 1.2 million WWII Veterans still living? However, time is running out to hear their stories of bravery and sacrifice that help define our country. The iHistory WW2 video contest is a national competition to inspire teen filmmakers to capture these stories on film. Aspiring young American filmmakers (ages 13-18) have the opportunity to hear and record these stories firsthand, make a minidocumentary, and win coveted prizes for themselves and their school. The total value of combined prizes is over \$11,000. iHistory WW2 is working with the Library of Congress to preserve the interviews in their archives. For details about the contest and the Official Rules please visit: Heroes-ww2.org.

### MACDILL AFB HISTORY......

MacDill AFB was officially activated on April 16, 1941.

The first mission was training Airmen in the B-17 Flying Fortress and B-26 Marauder aircraft. Increasing tensions in 1961 led to the activation of the U.S. Strike Command, headquartered at MacDill. MacDill became a Tactical Air Command Training Base with the F-4s and then F-16s. The last F-16s left the base in 1994 and the base had no active duty aircraft for the first time. The 6th Air Mobility Wing was activated October 1, 1996, with the arrival of 12 KC-135 Stratotankers.

### **COLONEL LESLIE MACDILL**

The Air Corps suffered a great loss and grieved to learn of the death of Colonel Leslie MacDill, as the result of an airplane crash on the morning of 9 November, 1938, in Washington D.C. The accident occurred several minutes after his take off from Bolling Field in a BC-1 aircraft. Accounts pieced together from numerous eyewitnesses indicated that something went wrong with the motor.

Colonel MacDill first tried to get back to Bolling Field, and then with death staring him in the face, aimed his plane for a narrow space between two houses. The descending plane cut down telephone and power wires, knocked down a pole, clipped off tree limbs, plunged to the ground and burst into flames. Colonel MacDill and his passenger Private Joseph G. Gloxner were killed instantly. Colonel MacDill was one of aviation's early pioneers, and those who knew him well realized his special ability, his highly analytical mind, as well as his professional attainments. His sound conclusions and helpful advice were constantly relied upon.

Colonel MacDill was born at Monmouth, Illinois on 18 February, 1889. Following his graduation in 1909 from Hanover College with an A.B. degree, and from the University of Indiana in 1911 with an A.M. degree, he was commissioned from civilian life as a Second Lieutenant, Coast Artillery Corps on 13 April, 1912. He served with the 6th Company, Coast Artillery Corps from 10 December, 1912, until his detail in 1914 in the Aviation Section,

Signal Corps. Upon completion of his flying training at the Signal Corps Aviation School at San Diego, California, he was rated a Junior Military Aviator on 2 July 1915, which automatically advanced him to the rank of First Lieutenant. He was promoted to Captain on 15 May 1917; to Major 1 July 1920; to Lieutenant Colonel 1 August 1935; and to Colonel on 26 August, 1936.
